

Worship Director – Adventure Life Church

Qualifications
Spirit-led person who is called to use their God-given vocal and other musical talents for worship leadership
Vocal ability and Strong competency in keys and/or guitar
Excellent communication and leadership skills in working with groups across all ages
Outgoing, engaging, and people-oriented personality
Is creative and a visionary who stays current with trends in worship music and technology

Responsibilities
Collaborate with the Lead Pastor and staff to design worship services that are engaging and aligned with our vision
Lead our church weekly in a worship experience through song, prayer, pastoral moments, and creative elements to help draw people close to Jesus
Coordinating schedules, providing resources, recruiting, and offering training and development for musicians and worship leaders on the team, ensuring they are equipped to serve the church
Oversee all production aspects of the ministry
Be a team player with good energy, positive attitude and flexibility

JOB DESCRIPTION:

Adventure Life Church (ALC) is in search of a person who loves God and leading His people in worship to fill the role of Worship Director and lead our worship ministry. This candidate should have a deep, personal connection with Christ and embody the traits and abilities that match our mission, vision, and values.

ALC offers a non-denominational worship experience grounded in Christian traditions. ALC offers a contemporary worship service at 10:00 am on Sunday mornings. The church is currently welcoming around 100-150 in total Sunday morning attendance.

KEY RESPONSIBILITIES:

- Collaborate with the Lead Pastor and staff to design worship services that are engaging and aligned with our vision
- Coordinating schedules, providing resources, recruiting, and offering training and development for musicians and worship leaders on the team, ensuring they are equipped to serve the church (includes building a pipeline for potential worship team members in the youth ministry)
- Build strong relationships with volunteers on the worship team and members of the church
- Oversee the production ministry, including volunteers and equipment

- Oversee the livestream on a weekly basis - continue to make improvements to push for excellence
- Be a team player willing to step in and help serve when needed or requested

QUALIFICATIONS:

- Is called to use their gifts to lead worship and pastoral ministry
- Excellent communication and leadership skills across all age groups
- Outgoing, engaging, and people-oriented personality
- Excellent spiritual and organizational leadership skills
- Is creative and a visionary, who stays current with trends in worship music and the use of technology to enhance worship
- Vocal ability and Strong competency in keys and/or guitar
- Strong skill set in use of technology or willingness to learn (Planning Center, iMovie, Live Streaming – OBS, Pro-Presenter, Soundstripe)
- Has a strong desire and heart to build relationships, primarily with the worship team.
- Can support the Mission, Vision and Values of ALC
- Preferred candidates would have 1-3 years of relative experience leading worship
- Education: A bachelor's degree is preferred, though not required

Reports to: Lead Pastor and Leadership Team

Employment Type: Part-Time. Minimum 25 hours per week, but for the right person with the right gifts, interests and experience who can do a variety of things in support of the church's various ministries, additional hours may be available (25-35 hours per week).

Application Process:

Please send your resume to HR@adventurelife.org. Once your resume is received, the interview team will respond by email with the next steps.
